

GLOWING BOTTLES

IDEAS

- WHILE WALKING ON THE ROAD WE SAW THE DIRTY BOTTLES IN THE DUSTBIN.
- WE THOUGHT HOW TO UTILISE THE BOTTLES.
- WE COLLECTED THEM.
- WE DISCUSSED WITH CLASSMATES AND OUR WORK EDUCATION SIR TO MAKE SOME CREATIVE THING FROM THESE BOTTLES IS IT POSSIBLE?
- THEN SIR GAVE US AN IDEA THAT WE CAN MAKE THE GLOWING BOTTLES.
- THIS IS OUR FIRST STEP OF INNOVATIVE PROJECT.

CHALLENGE

- *COLLECTION OF BOTTLES WAS ITSELF A CHALLENGE. WASHING & CLEANING THE BOTTLES BY USING SURF EXCEL POWDER & CLEANED THEM.
- *FOR HANGING THE BOTTLES WE USED NAILS AND ALUMINIUM WIRES & TO FIT THE BAMBOO BY SCREW ON THE WALL.
- *WE COVERED THE ALUMINIUM WIRES AND BAMBOO WITH DIFFERENT COLOURED CELLO TAPES & WOOL.
- *TO MAKE THE BOTTLES SHINY, WE USED LED LIGHTINGS.
- *WE HAD DRILLED THE NAILS ON WALLS AND HANGED THE BAMBOO TIED WITH OUR GLOWING BOTTLES.
- *OUR PROJECT OF GLOWING BOTTLES IS READY!
